VOLUNTEER OF THE YEAR

On town meeting night, the first annual winner of the "Volunteer of the Year" was announced. A big hats off to the Antrim Playground Committee and its members Peter Moore, Cory Morill, Sue Ruess, Jackie Cottle, Cindy Zawacki, Michelle Carter, Betsy Mathes and Colleen Harding. This committee's efforts in fundraising, planning and organizing the hundred or so other volunteers who showed up on that Friday and Saturday made the playground a reality. Be sure to stop in and see the plaque hanging in the Town Hall commemorating this committee.

It is not too early to start thinking about nominees for this year. Look around you and send in the name. There is no better way to say thanks.

A NOTE OF THANKS

The Limrik staff wishes to offer a belated thank you to Barbara Shea, Antrim's own craftsman and artist. Barbara designed the Tuttle Library logo for the "Limrik", a sample of her art and interest in Antrim for which the staff is very appreciative. Barbara would love to have you visit her "shop in residence", which is the building next to the Baptist Church. It was originally the Antrim Methodist Church, steeple and all. She and her husband, John, bought it as an apartment house in 1933. Barbara invites you to browse

through her selection of original silk-screened cards and Christmas ornaments, all hand done with original designs. Her country background, or as she says, the farm in Hancock, has remained the source of many of her creative ideas.

EDITOR'S TURN

The LIMRIK staff is very grateful to all of you for your support, both in advertising and editorial contributions. This issue could not be printed at Conval, but because of your support we were able to pay for the printing and still have enough money to put it in the mail!

There are many exciting activities in the area this summer, so be sure to post the Calendar Section of the LIMRIK in a prominent spot. (It was actually designed with the freezer section of your refrigerator in mind.) Many groups would like your support, so join in and have fun.

This paper is also looking for additional volunteers. Please call any of the staff if you can help with reporting, layout, typing, or special features.

ANTRIM PLAYERS

In conjunction with ANTRIM DAYS, the Antrim Players will perform a three-act play, to be directed by Fred Roberts, on August 6, 7 and 8. As of press time the play to be performed had not been announced, but mark your calendars now, so that you won't miss one of the most pleasurable experiences of the summer.

TALES FROM TUTTLE LIBRARY

The James A. Tuttle Library invites all school age children to join the 1992 Summer Reading Program: The Reading Brothers Baker and Taylor Circus. Learn how to be an acrobat, an animal trainer or a clown as the library is turned into a Big Top.

Sign up will begin on July 6 for a summer of reading thrills, chills and excitement. The circus party will be held on Friday, August 21.

On Saturday, July 11, there will be a stuffed animal parade for all children participating in the reading program. Simply bring your favorite stuffed friend to the library to join the fun.

The Hillsboro County of Corrections work crew have completed a great deal of painting at the Library. Book shelves, window and door frames and the front porch steps all sport a fresh coat of paint.

The librarians are spring cleaning and rearranging. Lots of books have moved. Go in and find out where!!

President Joseph G. Hugron and Vice President Thomas W. Hopkins have both worked with cars "all their lives". Hugron owned and operated an autobody shop in Hancock for ten years. He specializes in collision work and painting. Thomas Hopkins has spent many years in general service as well as detail work of vehicles. They have combined together to cover all bases in a more commercial setting- the former Grant Garage. For further information or an appointment, call the shop at 464-4666.

For Antrim's summer residents who would like to receive The LIMRIK at their winter address, a subscription is available. Please send information and \$3 to cover postage and envelope to PO Box 30, Antrim.

BENNINGTON'S 150th

Bennington will celebrate its 150th birthday this summer with a three day party. The Sesquicentennial (you don't need to pronounce it to go!) will be held on August 21-23. The festivities will begin Friday with Open Houses at the Town Hall, G.E.P. Dodge Library, Pierce Elementary and the Fire Station. Although the schedule is not yet completed, the following events will be held: Friday evening: Fireworks and a Street Dance with a band. Saturday: a morning Community Walk & Run (2.5 miles) to be followed by a parade, Temple Band Concert, Ice Cream Social and a variety of booths including food, Arts & Crafts, children's games, miniature train rides, and Kayak demonstrations by Eastern Mountain Sports. Dinner and entertainment will be provided by the Bennington Historical Society at St. Patrick's Church. Sunday: Ecumenical Service at 12 Noon. Firemen's Parade & Muster to be followed by a chicken barbecue. During the weekend there will also be a Civil War Demonstration with troops camped out in town. Those interested in joining a float in the parade may call John Cronin at 588 6372 or Pete Martel at 588-2610.

SUMMER CONCERT SERIES

This year Live Oak and Company, Antrim's internationally acclaimed early music ensemble, will again present its summer concert series in the Monadnock region. The concerts take place in historic (and scenic) area churches. To mark the Quincentenary of Columbus, this year's concerts highlight the music of Renaissance Spain.

Live Oak also runs summer weekend workshops (called Antrim Workshops) in voice and plucked strings (lute, guitar) as well as offering private and group lessons in singing, speech, acting, recorder, flute, guitar and lute. All ages and levels are welcome. Please call Nancy Knowles at 588-6121 for more information. See the Calendar Section for performance dates.

ANTRIM - BENNINGTON LIONS

President Bob Edwards reports that over \$1,000 was raised from pledges made by individuals and local businesses in the Antrim-Bennington area for their annual Walk-A-Thon.

The profits will benefit local health related requests and the Friends of Recreation for their youth development project.

The club is also one of the five Lion and Lioness clubs supporting the Lions project named Flight for Life. The project will fund a heliport location at the Monadnock Community Hospital for transporting patients to critical care facilities throughout New England. The fund raising effort is presently underway and will feature an antique and collectibles auction on August 1 at the former Peterborough Ford location on Rte 101 in Peterborough. Antrim, Bennington and Frankestown contributors are encouraged to call Bob and Sarah Edwards at 588-6861. All tax deductible contributions will be picked up by the Lions at the convenience of the contributor.

The new slate of officers were voted for 1992-1993. Sarah W. Edwards, President; Kenneth Bundy, 1st VP; Michelle Bennett, 2nd VP; Gary Stacey, 3rd VP; Robert L. Edwards, Sec; Ed Herbert, Treasurer; David Boule, Tail Twister and Wayne Dekoning, Lion Tamer.

RESCUE SQUAD

Tickets are currently being sold for a Shotgun Raffle, proceeds from which will be used to purchase a Defibulator Unit for the Antrim Rescue Squad. Fund Raising for this very necessary equipment has been in process for about a year. Tickets for the raffle are available at Edmunds Hardware or from any member of the Rescue Squad.

FOR SALE: 8 ft. stainless steel, metal-
bestos chimney \$100. Combination storm
door, 6'8" x 36", \$65. call 588-6385.

THE COLLEGE CORNER

Time is just flying by here at Maruzen Hawthorne! (But, of course, what else would it do at an aviation school?). With nineteen full time students, and more enrolling each month as a new ground school begins, we are certainly keeping our instructors and aircraft very busy.

We have just purchased a second helicopter to accommodate students' needs. Our fleet now consists of three Cessna 172's, one Cessna 182, one Beechcraft Duchess, and two Robinson R-22 helicopters. Our maintenance crew works nearly 'round the clock to keep our aircraft in excellent working order.

As a service to our own students and also to other student pilots, we have become a Drake Authorized Testing Center at the airport location. To qualify as a Center, we had to first have FAA approval.

"We can now provide certification exams for aviation-related professions," said Gene Benson, Director of Aviation. "Ordinarily, candidates for these ratings wait weeks for results. With DATC, the entire testing process, including the scoring, is completely computerized. The agony of waiting is eliminated."

Wakako Shiu, teacher of our Japanese language and culture class, is just concluding another session with area students. We have heard from both students and teachers that classes are not only educational, but thoroughly enjoyable. We look forward to holding our next Japanese class in the fall, with dates to be announced.

ANTRIM HISTORICAL SOCIETY

The Antrim Historical Society will hold its Annual Meeting and a Pot Luck Supper at the Presbyterian Church on Monday, June 29 at 6PM. The public is invited to bring a dish, meet the members and hear a very special guest speaker, Robert Aiken, a descendant of Antrim's second pioneer settler.

CHURCH NEWS

BAPTIST CHURCH

The Summer Fair of the Antrim Baptist Church will be held Saturday July 25 from 10AM to 2PM. The Youth Group will again have a variety of games on the lawn, and the dunking booth loaned by the Fire Department. Also on the lawn will be handcrafts, plants and vegetables with Dot and Phil Lang in charge and jewelry sold by the youth.

Lunch will be served in Fellowship Hall, under the direction of Flo Warren. The food Table with Mildred Slater in charge and the White Elephant, run by Eb Chamberlain will also be inside.

COME. SHOP. EAT. ENJOY the day and the fellowship.

PRESBYTERIAN CHURCH

A reminder that the morning worship time is at 10AM for the summer. An Adult Sunday School class will be held at 9AM addressing "Women of the Old Testament". The church will again be holding the Farmers's Market in August, date to be announced.

VACATION CHURCH SCHOOL

An ecumenical Vacation Church School will be held August 10-14. Being planned by the Baptist and Presbyterian Churches, it is open to all children in our local area for the ages pre-kindergarten through grade 6. The program will have something for all ages- music, drama, crafts, nature study, recreation, Bible study and- of course- "munch breaks". Anyone wishing to volunteer to help in any way- cookies, monetary donation, or even assist a teacher, please contact Bev Tenney, 588-2518 or Debbie Eldridge, 588-6215. The program promises to be both fun, interesting, current and in line with the importance of family values, a current and needed focal point.

SPORTSBEAT

1992 has been a banner year for Antrim baseball. With the use of our new field this year, we were rewarded with a record turnout of 107 children for the Pee-Wee, instructional and minor league levels. The Crooked Mtn. team had 16 sign-ups and may have a chance to win their division. The Championship series is tentatively scheduled for June 22, 25 and 28. Also this year is the first that there has been an opportunity for youths to play on a Babe Ruth team. Antrim, Bennington, Frankestown and Hancock have combined forces to form a team and join a league. Good luck in this, their initial season.

SUMMER ART CAMP

The Antrim Art Academy will once again offer the very successful Summer Art Camp. One week sessions will be held from July 6 through August 14. Director Michelle Ali-Oglu will be co-ordinating the varied multimedia art projects with both in and outdoor activities while teacher Susan Bartlett will direct movement, theatre games, improvisations, storytelling, rhythm and music.

This year's Art Camp will include "creative lunches" prepared by the students. Art projects will feature painting murals, wind sculptures, treasure chest and much more. Each weekly camp will focus on a different culture which will co-ordinate the arts, music and theatre. The themes will be African Drums, Egyptian Pharaohs, Arabian Nights, Land of Magic Dreams, the Circus, Modern Painters and Around the World.

Students may attend as many weeks as desired. Art Camp sessions will run from 9AM to 4PM Monday through Friday. Arrangements may be made for earlier morning hours. Campers will only need to bring a snack, a good mood and a lot of enthusiasm! Tuition for one week is \$125 with additional sessions at \$100 each. For further information call Michelle at the Art Academy at 588-2444.

GARDEN CLUB

The July meeting of the Club will feature a picnic at the home of Jim and Brenda Bryer in Stoddard on July 27. The August 24 meeting will feature a garden tour to homes in Antrim to finish at the home of Paul and Anne Miller on Bridle Road. For more information please call Helen Hammond at 588-2264.

ANTRIM ART ACADEMY

The Antrim Art Academy will hold its 4th annual "ART EXHIBIT" on Sunday June 28, from 12 Noon to 6PM. Diplomas and Certificate Awards Ceremony will be held at 4PM. A great variety of art projects will be presented including a new concept of wood interpretations. Everybody is welcome to enjoy this afternoon with our young artists of different ages.

ANTRIM DIRECTORY

The "ANTRIM DIRECTORY" of 1992-1993 is now available and can be picked up at Town Hall, the Tuttle Library or a local real estate office.

This directory is the 6th edition produced by the Antrim Woman's Club and offered to the public free of charge. It contains a brief history of Antrim, information about permits and school registration, a list of organizations, a classified directory of all businesses and a linear map in the centerfold.

A committee of eight members of the Antrim Woman's Club prepared the text, Anne Miller (past president) designed the cover, and the Monadnock Paper Mills donated the paper. Several generous donations were given toward the cost of publication, but future issues will need additional financing. Suggestions are welcome.
