VOLUME 1, NUMBER 4

CONGRATS TO EDMUND'S HARDWARE!

In almost less time than it takes to cross Main St., the front of Edmund's Hardware Store has completely changed. The addition of a ramp entry for the handicapped and baby carriages harmonizes with the building's facade, and changes inside provide more efficient services. To add to the building's long history, Dick Edmunds says the lumber used in building the new entry came from Smoky Merrill's place, so it is well-aged and took a beautiful finish.

The store is celebrating its 30th year. Owner Dick Edmunds began his store apprenticeship under Dad Clarence and Mom Hattie in 1958 in the Henniker store when he was 14. When Dad Clarence opened the Antrim store in 1962, Dick worked when he wasn't in College. In 1966 he became a full partner in Edmund's Hardware Inc., which includes the Henniker store now celebrating its 50th year. Some folks will remember that back in 1936 his grandfather Aaron Edmunds operated a store in Bennington, so Dick is following a family tradition.

The Edmund's building began as a blacksmith shop. During its life as a store dealing in "general merchandise," it has had several owners: Goodnow and Derby, Coolidge, Charlie Woods, Roland Johnston and finally Edmunds. Parents Clarence and Hattie have retired to Florida. Dick, Lorraine and their son and daughter live on Depot Street. They work "in tandem" between the Antrim and Henniker stores. You need it? They've got it -- or they'll get it for you!

UPDATE ON HAWTHORNE AIRPORT

Although the rest of MARUZEN-HAWTHORNE COLLEGE has been closed down, the airport is still functioning as a Helicopter Flight School. Brenda Malloy, flight instructor under the college, has rented the facilities as a private business, Mohawk Helicopter.

Currently the 4 students enrolled in the college have continued their flight training with one already receiving his commercial license to fly helicopters. Anyone interested in helicopter flying can reach Branda at (613) 464-4011. Appointments may be made for any time Monday-Friday until 6pm. If anyone desires a foliage flight around the area, that is also available. Brenda is also interested in visiting schools to present helicopter flying as an attractive career alternative.

For Antrim's Summer residents who would like to receive The LIMRIK at their winter address, a subscription is available. Please send information and \$3 to cover postage and envelope to PO Box 30, Antrim, NH 03440.

The LIMRIK is a Community Newsletter mailed to each Antrim household quarterly. If you have an article, ad or press release for the Newsletter, please send it to PO Box 30, Antrim.

DEADLINE FOR NEXT ISSUE: November 1

TALES FROM TUTTLE LIBRARY

The library registered its one thousandth patron during the month of August and is just waiting for the other one thousand residents to come in and register.

Did you know these are available for loan?

- * 16 mm projector
- * 150 cassette tapes (2 wk) used for home, in car, while jogging or gardening
- * 170 videos for grown ups and children.
Some new ones are:

*HAWAII
MAJESTIC NATIONAL PARKS
OF HUMAN BONDAGE
CHARADE
THE THIRD MAN*

The upstairs meeting room is available free of charge to non-profit and non-political groups.

Thirty-five children have just completed the summer reading program, "Reading Circus." We have a new bunch of BOOKS FOR KIDS which were written and illustrated by 7-16 yr olds who competed in a nationwide contest.

If you are looking for a particular book or pamphlet that we don't have, we can research and get it from another library (approx time - 2 wks). Are you aware that our reference staff will track down and answer questions on a multitude of topics? Just drop in or call us at 588-6786.

Starting in September, the library will begin a campaign to collect proofs of purchase from the following Mott's products:

APPLE JUICE, JUICE BOXES, APPLE SAUCE, SINGLE SERVE APPLE SAUCE FRUIT SNACKS

Each proof of purchase is worth 25 cents toward the retail value of library books and materials. You can drop them off at the library or contact Lynn Nadeau at 588-2451 for collection. This is a great opportunity to add to the current library stacks!

*September 26-October 3: BANNED BOOKS DISPLAY
(Bible, Shakespeare, Mark Twain and many others.)
Come and see it!*

October 5-10: AMNESTY WEEK (Fines are forgiven)

October 26-30: ITTY-BITTY STORY HOUR (watch for day and time)

CHAMBER OF COMMERCE

*The next General Meeting
will be held at the Rynborn
Restaurant on Thursday,
October 22, at 12 noon.
The cost will be approximately
\$10 per person. There will be a
guest speaker.*

*The Chamber's spotlight this
issue shines on the TEDDY
BEAR NURSERY SCHOOL,
owned and operated by Kathy
Blackburn.*

CHAMBER OF COMMERCE SPOTLIGHT

Teddy Bear Nursery School and Day Care Center, located on Route 31, is starting its ninth year of operation. It is a licensed center and offers quality early education and child care for children 3 to 12 years. The center is open year round with an enrollment of twenty-five. It offers nursery, preschool and kindergarten programs as well as after school care.

Teddy Bear participates in the USDA meals program and offers breakfast, lunch and snacks. The center opens at 6:30 am and closes at 5:30 pm. The daily schedule offers structured and unstructured activities and experiences in a flexible routine as well as activities in the community to encourage the growth of each child. Parents are also encouraged to participate in activities and programs. For further details and enrollment information, call Teddy Bear Nursery School at 588-2732.

THE ANTRIM WOMAN'S CLUB

The October Meeting will be a pleasure for all local residents as we will enjoy a quilting exhibit and demonstration by Mrs. Dee Newsom and Darrel Peterson.

In November Mr. Richard Lederer, a well known columnist and writer of *Anguished English*, *The Miracle of Language* and other books will be our guest speaker. The talks of this punster are a combination of information and entertainment.

The Antrim Woman's Club welcomes new members at all our monthly meetings - the second Tuesday of each month at 1:30 pm at the Baptist Church Fellowship Hall. If you are a newcomer to Antrim it is a great way to make friends and feel at home quickly.

ANTRIM DECORATING COMMITTEE

Look for the third annual **First Lighting** early in December. The same committee - Gif Russell, Pat Webber and John Robertson - will be in charge. We appreciated your comments last year on ways we could improve **First Lighting**. We plan to act on them.

We are running a dual Holiday Decoration Contest this year. One part will be open to Antrim residences, and a separate part for businesses. We hope to have more businesses decorate this year, whether they plan to enter the contest or not. There will be more information on contest entries in the next *Limrik*.

Members of middle school classes will again paint murals on windows on Main Street. In the works are four more candles which will add to those going down Concord Street Hill. Also planned is a workshop conducted by Mark Tenney for making four large wreaths for the front of Town Hall. Wreath makers - please call Lois Harriman for a spot in the workshop.

about town

HISTORICAL SOCIETY

WHO WAS WHO IN 1894? The Antrim Historical Society will resume its monthly meetings on Monday, September 28, at 7:00 pm in the Little Town Hall. Vice President Brian Sawich will present a program about the leading citizens of Antrim in 1894. This year was important in the town's history, especially in the development of South Village, and a centennial celebration will be held in two years' time.

Two of the influential men who will be the subject of the program are Enoch Paige, a successful manufacturer who built his stylish house on Main Street in 1894, and the Reverend Warren Cochrane, town historian, who was pastor of the new Presbyterian Church, built in the midst of controversy and dedicated that year. For more info call Izzi at 588-6581.

AUCTION ANYONE?

On Saturday, October 17 at 10:00 am there will be an auction on the Baptist Church Lawn to benefit the church. There will be many interesting items for auction buffs. Ten percent of the profits will be given to the Food Pantry. The auction committee would appreciate any contributions of quality items for the auction. Call Mary Caron (464-4289) or Doug Crafts (588-2238) for pick up before October 1, if possible.

school

ACTIVE LEARNING

Have you ever dreamed of being a member of an archaeological team at an important dig? Great Brook eighth graders are creating their own site. This fall they will select an area around the school for burying important "artifacts" of our culture. In the spring they will employ the grid system used by archaeologists to unearth the objects they buried. The students will study the changes which have occurred in the "artifacts."

Economics will be sweet indeed when students travel to the Hebert Candy Company in Massachusetts as part of the eighth grade manufacturing unit. Students will be studying the principles of supply and demand in American businesses.

Politics are in the air! The eighth grade will be studying the U.S. election process and sharing their insights with the rest of the school. Mock political conventions are planned as well as the traditional mock November voting.

FIFTH GRADERS ON THE GO

Fast on its way to becoming a tradition at Great Brook School is the beginning of the year week-long experience at Sargent Camp for the in-coming fifth graders. Besides building environmental awareness, the week serves to build a unified identity for students from the four Great Brook towns. Fifth graders and teachers from Great Brook will spend a week of challenging problem solving activities and nature studies at the Hancock camp.

The Harris Center will help make *My Side of the Mountain*, a fifth grade core book, come alive for students. Lessons on hawks will be conducted at Great Brook by Harris Center staff. The fifth grade classes will travel to the Center for an afternoon of "survival in the wilderness."

e**

It is with great pleasure that we introduce to the community our two new school principals: Richard (Rick) Nannicelli and Pat Robbins.

Rick, the new principal of Great Brook School, comes to us from Bridgton, ME, where, during a ten year stay, he held various positions in the education system, specializing in Special Education. He and his wife Jean and 2-year-old son Nicholas are living on Summit Ave in Antrim - just a stone's throw from the school, which pleases him greatly.

Rick grew up in Walpole, Mass, and earned his B.S. in Special Education from Fitchburg State College. He later received his Masters in Education Administration from the University of Southern Maine. His wife Jean has a degree in Special Education.

Rick's school philosophy focuses on the idea that Middle School students are unique in their needs. His goal is to implement some of his ideas and, in the process, learn to make good decisions. His hobbies are woodworking, running (marathons!) and music (guitar). We welcome the Nannicelli family into our school family and wish them well as they "settle into" Antrim.

news

SEE THE WORLD THROUGH THE EYES OF A CHILD

Remember how fresh and new everything was as a child? Whether it was delightful or terrifying, the world held a special magic. Experience those times again through the eyes of a child. Great Brook is looking for volunteers for a day, a week, whatever you can do. Work with a single child or a small group. Read, be read to, cook, type stories, do math problems, or organize a sport. Share a talent such as knitting or carpentry. Assist in the library, drive on a field trip, or present slides and share memories. Catriona Beck is volunteer coordinator for the Great Brook PTO. If you are able to share some of yourself with the children of Great Brook, call Catriona at 588-3053.

AID TO HURRICANE VICTIMS

Victims of Hurricane Andrew will be receiving food packages from students of Great Brook School. Linda Smith's fifth grade science classes, who have been studying hurricanes, collected food to send to Florida. Soon the effort became a school-wide project. Sun Foods in Keene has arranged transportation for goods collected in this area.

FOUR MORE CANDLES

Once again the Great Brook industrial arts students, under the direction of teacher Jim Sweeney, will be making plywood candle cutouts for the Antrim Decorating Committee. This will be the third year the school has joined with the committee to facilitate the decorating of the town. Mr. Sweeney hopes other towns whose students attend Great Brook will follow this example of utilizing the school as a community resource.

Pat Robbins (Mrs.), new Principal at Antrim Elementary School replaces Ann Hyland who is now teaching in Hancock. Pat was born, raised and educated in the State of Washington where she received an M.A. in counseling and an M.A. in School Administration. While teaching and working for the State Department of Education in Washington, she managed to earn her PhD in School Administration from the University of San Francisco.

Pat met our (now) Sup't Larry Bramblett, when he was with a group of educators visiting Washington. Talking with him, she became interested in N.H. and our education system. In 1988 she "moved east" to take the job of Curriculum Coordinator of the Conval District. When the position of Principal at the Antrim Elementary School became vacant, she expressed her great desire to return to working with kids and was hired. She is looking forward to working with both staff and students and is especially happy with the new kindergarten this year.

Pat has family back in Washington: her father, a son, granddaughter and a daughter in college. She is married to Norman LaPalme who teaches at South Meadow School and lives in Peterborough. Antrim welcomes "Dr. Pat" into our school community!

after school activities

FRIENDS OF ANTRIM RECREATION

After a hiatus for the renovation of the gym floor, and the successful dance on Friday, August 28th, the activities room is reopening on a tentative schedule of:

Friday 6-9

Saturday 12-9

In the fall, Henry Lowenthal will hold a seven week drum session for those who want to "mark the beat."

Since we have 75 to 80 teens regularly participating, we hope we will be able to have the room opened more during the week. What we need to do this are more adult volunteers.

If one parent or half the teens using the center would volunteer for one 3-hour period each month, the center could be open six days a week instead of two. And you don't need to be a parent to volunteer. Help Antrim's teens to continue enjoying the Recreation Center! If you can help, call Bob Bagloe, 588-2855

CUB SCOUTS

Boys in first grade and older are welcome to join the Cub Scouts and Boy Scouts. The Tiger Cub program is for the boy and his parent. In second grade a boy starts the Wolf Program and progresses to Bears, Webelos, and then, about age 11 the boy can join Boy Scouts.

The Cubmaster is Richard Atkinson (588-2692). For more information about Cub Scouts, interested persons can call Ruth Zwirner (588-2879). For Boy Scout info, call Richard Jennison at 588-2687.

GIRL SCOUTS SPONSOR OPEN HOUSE

On Sunday, October 4, 1992 from 1-4 pm the Swift Water Girl Scout Council will hold an open house celebration at the Camp Sachem Site on Gregg Lake in Antrim. The public is invited to tour the camp property and learn about the Girl Scouts' plans for use of the site. Activities will include canoe tours, environmental activities, games, crafts, singing, camping skills, and the kick off for the "name the camp" contest. If anyone has any historical information about the camp, please share your tales at the open house. Arrive anytime between 1 and 2 pm. At 2:15, Helen Wardman, President of the Swift Water Council will share the Girl Scouts master plan for use of the property. RSVP to Swift Water Girl Scout Council at 1-800-654-1270. Dress for the weather, as it's a rain or shine event. Refreshments will be served. Bring the family!

The following Girl Scout branches are available in Antrim this year:

Cadette Troop #547

Leader: Marianne Whipple

Co-leader: Debi Belcher

Junior Troop #310

Leader: Lois Burford

Brownie Troop #2125

Leader: Diane Campbell

Co-Leader: Karen Litchfield

Brownie Troop# 2129

Leader: Karen Grimes

Co-Leader: Barbara Williams

Service Team Members:

Service Unit Manager: Karen Grimes

Registrar: Barbara Mcfadden

Cookie Delivery Manager: Helene Newbold

Finance Officer: Jaeque Cottle

Outdoor Activities Consultant: Linda Cook

NORTHERN LIGHTS SCHOLARSHIPS

Northern Lights Dance Theatre offers partial scholarships to students who wish to study dance but cannot afford the tuition. Classes are available both after school and evenings in ballet, modern/jazz, tap and aerobics. If you or your child would like more information, please call the studio at 588-8055. Northern Lights is located next to the Tuttle Library.

SPORTSBEAT

With the fall sport season here, soccer is now underway. Antrim children again have the option of playing in the Peterborough Soccer League or the Crotched Mt. Soccer League. The Crotched Mountain league this year offers a co-ed 5th & 6th grade team, and their season is expected to run through October 23 with an awards day and a game of coaches and parents versus the kids on October 24th.

Children's basketball at the elementary school gym will be operating as usual with the possible exception of expanding to include 1st and 2nd graders this year. Men's pick-up basketball will be resuming for the season in November, on Thursday nights. For more information call Bob Holmes at 588-6314.

GREAT BROOK SPORTS

Fall afternoons are made for sports, and there are games at the ballfield behind the Antrim Elementary School to suit everyone's taste. September and October sports have already started at Great Brook. Twenty-five seventh and eighth grade boys are participating in boys' soccer with Coach Deb Damelio. Jane Weymouth coaches both girls' soccer and field hockey. There are twenty sixth, seventh, and eighth grade girls in soccer and eighteen in field hockey. See the calendar of events for dates and times for home games. All games are held at the ballfield. The public is welcome, and there is no admission. Come on out and enjoy a lovely autumn afternoon!

A variety of intramural activities are also available at Great Brook. David Dodge will offer afternoon flag football in September and October. Deb Damelio starts volleyball in November. Basketball will also be intramural in November. Tryouts for the interscholastic teams (both boys and girls) will be held around Thanksgiving.

It is the goal of Dick Hebert, GBS Physical Education teacher, that each student participates in at least one activity during the school year. Ideas for future offerings include archery, aerobics, softball, walking club and fencing. If you have a sport to share, even for a small number of children, your help will be appreciated. Please call Dick at the school 588-6630.

SARGENT CAMP SPONSORSHIPS NEEDED

The Environmental Camp program held at Sargent Camp for current 5th graders every fall is well-known to parents of previous campers. The 5-day stay is built into the school curriculum as an environmental "hands-on" education program. There are 114 fifth graders participating in the program this fall. As fourth graders, each student sold magazine subscriptions with the profits credited towards each student's cost of \$145. In addition, group and individual donations have helped in the past. With so many students attending this year extra donations will be greatly appreciated.

The Antrim Woman's Club is suggesting that various organizations in town consider donating to this cause as a local charity. The Women's Club has started this Camp Fund with a donation of \$100. Contributions may be sent to Great Brook School, attention Mrs. Kanner, School Secretary. Let's show the kids Antrim cares!

ANTRIM TOWN HOURS

7:30 pm, Town Hall

EDITOR'S TURN

Well, summer's gone (was it here?), school's in session, and life returns to some semblance of routine. Wrong! If your life is routine, the *Limrik* would like to offer you several opportunities for adventure, education and fun by volunteering. Let yourself go. Surprise your friends and neighbors. Volunteer.

It's good for you and the groups that need you in this tight economy. In this issue, *Friends of Antrim Recreation, AES, GBS* and the *Limrik* want you. In past issues other groups including the Library have looked for help. Please give volunteering a try!
